ENERGY PLANNING STANDARDS INFORMATION AND TRAINING SESSION

The Southern Windsor County Regional Planning Commission (SWCRPC) will conduct an information and training session to discuss Act 174, An Act Relating to Improving the Siting of Energy Projects. This will involve a review of the voluntary enhanced energy planning standards and recommendations for regional and municipal plans.

When: Thursday, December 8, 2016
6:30 – 8:30 PM

Where: Selectmen's Meeting Room, Top Floor
Springfield Town Offices
96 Main Street
Springfield, VT

Cost: Free

Audience: Anyone that is interested in energy siting issues. Municipal officials are encouraged to attend (e.g. Selectboard, Planning Commission, Conservation Commission, Energy Committee, Town Managers, Zoning Administrators).

Please visit the VT Department of Public Service website to reference the standards:
