Subject: January 22nd minutes Springfield Energy Committee

Those attending: John Pugh, Hallie Whitcomb, Dave Yesman, Jim Ball, George McNaughton(briefly)

The meeting began at 6:30 PM. Dave Yesman brought several suggestions to the board to make the energy chapter in the town plan less wordy and more concise. Members present discussed his suggestions but no decisions were made the feeling being we needed more members present. A lengthy discussion followed re. filling empty chairs in the committee caused by Mary Ann's and Father Peter's departures and the probable future departure of John Pugh. Several people were decided upon and phone calls will be made by Hallie Whitcomb and Jim Ball prior to February's meeting. February's meeting will be on Thursday, the 26th due to a scheduling conflict.

Meeting was adjourned at 8:12 PM. Respectfully submitted by Jim Ball .
