Drill Night was cold water and ice training at the boat landing. We teamed with Bellows Falls to review our operations and equipment so we can support each other during these incidents.

FF Brown and FF Stagner attended a Tactical Emergency Casualty Care (TECC) certification course.

ISO evaluator John Zelle visited on the 29th. We spent the better part of a day reviewing data and policies.

We welcomed two new On-call members Tyler Williams and Nate Rennard. Both will be entered into a fall FF1 course.

Dry hydrant maintenance was completed for the Spring.
